Sir:

As requested in the Office Action mailed April 9, 2002, clean versions of the replacement paragraphs/sections are included below. A "marked-up" version of the original patent application is also included to indicate the location of these changes.

If this submission is now deemed to be compliant with the format required under 37 CFR 1.121, please allow amendments to the above application as follows:

Experimental Findings:

P 7, Line 7: delete "either", so that the relevant paragraph should now read as follows:

"Syrian hamsters, weighing approximately 100 g, were placed inside the
